**LOCAL HAPPENINGS:**

**Please note that this will be the Final newsletter created by the current Newsletter editor, Larry, N3LT. I would like to say that it has been a pleasure over the years. However, now I am finding that I can no longer devote the time that is necessary to do the job as I feel that it should be done. Chris Edwards, N3VFK has gracefully volunteered to carry on this tradition and for that I am grateful. If desired all past newsletters, in my possession, will be provided to the new editor in both .doc and .pdf formats. I will also provide advice if requested. Chris, inevitably, you will develop your own style and that is as it should be. Good Luck and good writing! ...n3lt .. signing off.**

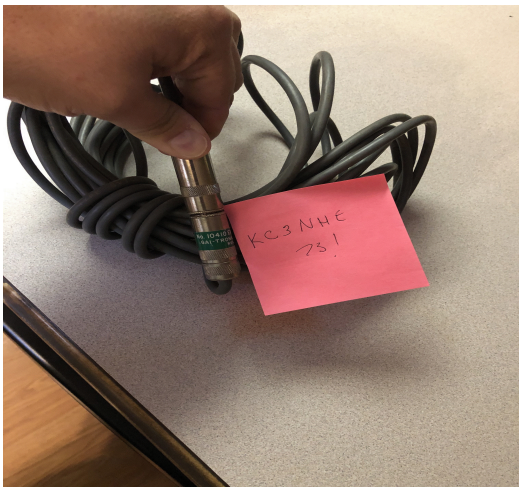
## Next meeting: Scheduled for January 5 2021, 7:30 pm at Eat n' Park restaurant in Indiana, Pa. I'm sure this date depends upon the status of the Pennsylvania Governor's restaurant dine-in mandate.

The minutes for the November ICARC meeting, courtesy of Chris Edwards, can be read at the end of this document.

FOR SALE: Icom 756ProIII with Icom speaker, Icom desk mic and LDG AT1000Pro antenna tuner. $1,250. If interested, please email: k3lab@arrl.net.

For sale: Kenwood TS-480 SAT (100W with built-in auto-tuner, stock mic, mounting bracket, and power cord), excellent condition and G5RV antenna (new, never unpacked). Asking price for all is $800.00. Contact Terry at ka3utd@arrl.net (For more detailed information see the email posted directly to the club members by Gary Miller (KC3NHE) on September 7, 2020)

For sale: a GAI-TRONICS 10410 30' headphone extension cable. Used but tested and working. I am asking $50 for it but will let it go to a fellow club member for $40. It's my understanding that these will work as extension cables for electric guitar amps as well. See photo below Contact: Gary Miller <kc3nhe@gmail.com>



## OTHER INFORMATION

If anyone would like to include information or write an article for the Newsletter please let Larry Freeman know by email at: wd4hoz@gmail.com .The caveats are: The editor reserves the right to alter the format for publication purposes. The content may also be modified contingent upon accuracy and appropriateness of the contained material. The latter would, of course, be subject to the approval of the original author. Any photos sent should be no higher pixel resolution than 640x480 (VGA resolution) due to local computer equipment and internet service limitations. High resolution photos cannot be published
